ANNUAL HOUSEHOLD HAZARDOUS WASTE COLLECTION DAY

The Franklin County Solid Waste District is holding its 2018 household hazardous waste collection on Saturday, September 22 at GCC Main Campus and Orange Transfer Station.

Residents and businesses must pre-register between August 16 and September 17.

During that time, online registration will be open: www.franklincountywastedistrict.org/hazwasteday.html. Paper registration forms will be available at participating town offices, transfer stations, and in ads in the Greenfield Recorder.

The collection is free for residents of most member towns. Businesses must pay for disposal costs. For business registration information, call (413) 772-2438.

This collection provides an opportunity to dispose of hazardous items that should not be put in the trash, such as leftover oil-based paints, stains, thinners, household cleaners, pesticides, herbicides, pool chemicals, motor oil, antifreeze, automobile batteries, and other household chemicals. For a complete list of acceptable items, see: www.franklincountywastedistrict.org/hazwasteday.html.

Mercury-containing products such as thermometers, thermostats and compact fluorescent bulbs (CFLs) should never be put in the trash. At the 2018 Hazardous Waste Collection Event, only mercury-containing items such as thermostats and thermometers will be accepted; fluorescent bulbs will not be accepted at this collection. CFLs and other fluorescent bulbs are accepted at all municipal transfer stations. In addition, fluorescent light bulbs are accepted at Lowe's Stores (all types of fluorescents), and Home Depot (CFLs only). Questions? - 413-772-2438, info@franklincountywastedistrict.org
