

Shelburne, Buckland & Colrain

*With representatives of Weston & Sampson Engineers,
The Town and District Departments*

As a resident impacted by the proposed project you are invited to attend a tour of the proposed reconstruction of Prospect Street in Buckland or in Colrain the proposed reconstruction of River Street **this Thursday, January 16th, 2014** to discuss the final project designs for the roads in front of your home with a representative from Weston & Sampson Engineers and the various Town and district department heads. They will discuss with you any questions that you might have about the plans for the overall project and specifically as it goes in front of your home.

This is the last meeting on these projects before the application is submitted February 14th and your attendance is encouraged. A sign in sheet will be circulated.

The walking tours and their location are as follows:

- **11:30 AM – Colrain – River Street** – we will meet at the corner of Rt. 112 and River Street
- **12:30 PM – Buckland – Prospect Street** – we will meet at the top of Clement Street where Prospect Street begins

We hope to see you there!
