**Appointments:** Officer Chris Lannon gave the Board an update on the Police Department

The Police Department has had a busy summer. They have been doing increased patrols of the Green River road in an effort to curb the illegal dumping and the partying.

Officer Lannon also expressed the need for a few more officers. They have had Auxiliary Officer Gary Downer from Greenfield come up and do some ride time with Chris, Chief Haskins and Officer Roger Williams. They all think that he would be a good fit for the department and would like the Board to consider hiring him as an auxiliary officer. Chris has asked him to come up tonight and introduce himself to the Board.

After some discussion The Board agreed to hire Gary Downer as an Auxiliary Officer for the Town.

**Wired West Executive Committee has not complied with the Boards Public Records Request**

Holleran Greenburger, David Greenberg, and Jim Drawe from Wired West attended the meeting to try to answer some of the Boards questions. After a lengthy discussion it was decided to wait to hear from MBI.

**Franklin County Emergency Planning Committee**

The Franklin County Emergency planning Committee has asked for the Boards consideration on an MOU with the FRTA for emergency response transportation.

Jack Cavolick does not feel that we need to sign it. Mark Thibodeau and Eileen Sauvageau would like to read it before they make their decision. They will bring it back to the next meeting.

**Board Clerk Job Description**

There is a ten hour per month clerk position that needs to be posted. Kevin Fox feels that it is going to be hard to fill due to fact that it is only ten hours a week. Kevin asked the Board to review the proposed job description for possible approval at the next BOS meeting.

**MOVED:** Jack Cavolick moved to close the meeting. Mark Thibodeau seconded. Voted unanimously.

Respectfully submitted,

Colleen Worden
