Health Agent Update

- 1. 48 Call Road: Has seen no change, should have a hearing next month on this issue**
- 2. 341 Adamsville Road: Order being sent out to correct situation of the demolished house and debris.**
- 3. Catamount Sportsman Club: Awaiting plans or next plan of action**
- 4. East Colrain Road: Daniel Balboni from DEP has advised the health agent that dust in general as indicated by the complaint does not fall under their jurisdiction. This fact was relayed to Mr. Olchowski. It was determined after discussion that the current situation revolved most likely around the material laid down being substandard and that this issue would be referred back to the Selectboard for further consideration and appropriate discussion with the contractor that supplied the material. It was agreed that the issue as presented fell outside the purview of the CBOH. A letter will be sent to the BOS to explain the decision of the BOH.**
- 5. Health District Annual Meeting is 10/6/22 with one or two members planning to attend. A capacity assessment has been sent out to all towns., should be filled out.**
- 6. Health Agents attended a regional conference in Plymouth last month.**
- 7. COVID rates continue to increase with level of hospitalization decreasing.**
- 8. MAPCO is working through AAR.**

Nina moved that the meeting be closed at 1951 hours, agreed by unanimous consent.
