

## COLRAIN BOARD OF HEALTH MINUTES 11/6/2024

### HIGHWAY DEPT MEETING ROOM [9 JACKSONVILLE RD]

**Call to order:** 7:07 PM  
**Attendance:** Nina Martin-Anzuoni, Tim Slowinski, Barbara Griffin; BOH members.  
**Other's Present:** Alice Wozniak, Clerical Assistant; Randy Crochier & Jasmine Ward; Health Agents and Andrew Conway.

1. Approve Minutes of 10/1  
**Barbara Griffin moved to approve the Minutes of October 1<sup>st</sup> as written, Tim Slowinski seconded. Passed unanimously.**
2. Follow up on "55" Call Rd. [Map 106, Lot 6] Hearing about Andrew Conway from September 3<sup>rd</sup> and October 1<sup>st</sup> meetings.

Jasmine Ward did a reinspection on October 8<sup>th</sup> and noted that the camper still had no potable water, working septic and was running off a generator (although it wasn't running when she was there; food in the refrigerator was cold). Following up on a conversation with Mr. Conway's VA advocate, Jasmine did a drive by on the way to this meeting and confirmed that the camper is no longer there [November 6, 2024]. Mr. Conway confirmed that he is staying in Enfield, CT for the next 30 days. **The health agents consider this matter resolved at this time and will be available if things change.** Mr. Conway was given a letter stating that at this time the BOH cannot grant a Variance due to significant issues relating to questions of ownership, sanitation & zoning and he would need to vacate the premises within 72 hours. **This order is considered fulfilled.** The Board wished Mr. Conway luck moving forward and hoped the letter would assist him in getting more permanent housing.

3. Health Agent Updates: Randy gave the following updates.
  - He held a Serv Safe class today at the Shelburne Grange which was well attended.
  - Annual permitting renewals are starting, which is a significant undertaking due to the number of communities that they serve.
  - Area churches that hold recreational camps need to take an online course and register with the state. Also, questions arose about whether the kitchens need to be permitted depending on the level of usage. Alice will get Randy the contacts that she has for the local churches.
  - The FRCOG Cooperative Public Health Service program has flu vaccines available. Lisa White is available, and she will make home visits to homebound individuals.

#### Adjourn:

**Barbara moved to adjourn at 7:29 PM. Tim Slowinski seconded. Passed unanimously.**

Respectfully submitted,

Alice Wozniak
