

The Colrain Planning Board unanimously recommends that these bylaw amendments to the town protective bylaws be submitted on the warrant for approval at the proposed Special Town Meeting.

The proposed Marijuana Amendments in their final form are an aggregate of monthly planning meetings and a public hearing addressing the planning and management of production and sale of marijuana as promulgated by the Cannabis Control Commission in accordance with the standards and guidance of the Franklin County Regional Council of Governments and as set forth in the general laws of the Commonwealth as amended.
