Walk-ins are welcome ♦ If you have insurance, please bring your card

Tuesday, June 14

[Buckland-Shelburne Elementary School](#)

3:30 - 6:30 p.m.

(walk-ins accepted until
6 p.m.)

Anyone over the age of five can receive a no-cost COVID-19 vaccine or booster.

1st booster shots are available for:

- Everyone over age five should get a booster, at least five months after their last Pfizer or Moderna dose, or two months after their last Johnson and Johnson dose

2nd booster shots are available for:

- Those over age 50 who received their 1st booster more than four months ago
- Those with certain medical conditions (see more information at www.mass.gov/covid)

All three vaccine types (Pfizer, Moderna, Johnson & Johnson) are available at the clinic.
