## Bonding with Books: Literacy Workshops

### Do you read with a child 0 to 7?

Sharing books is an important way to bond, have fun, and learn with the children in your life. Connect with fellow caregivers and educators by attending one of these FREE programs. Families will enjoy a playful interactive storytime led by Carle educators, followed by a workshop for adults and supervised play time for children. In addition to hands-on training, participants will receive resources for enjoying reading and playing at home!

FREE Child Care
